

# REDDIT CAMPAIGNS

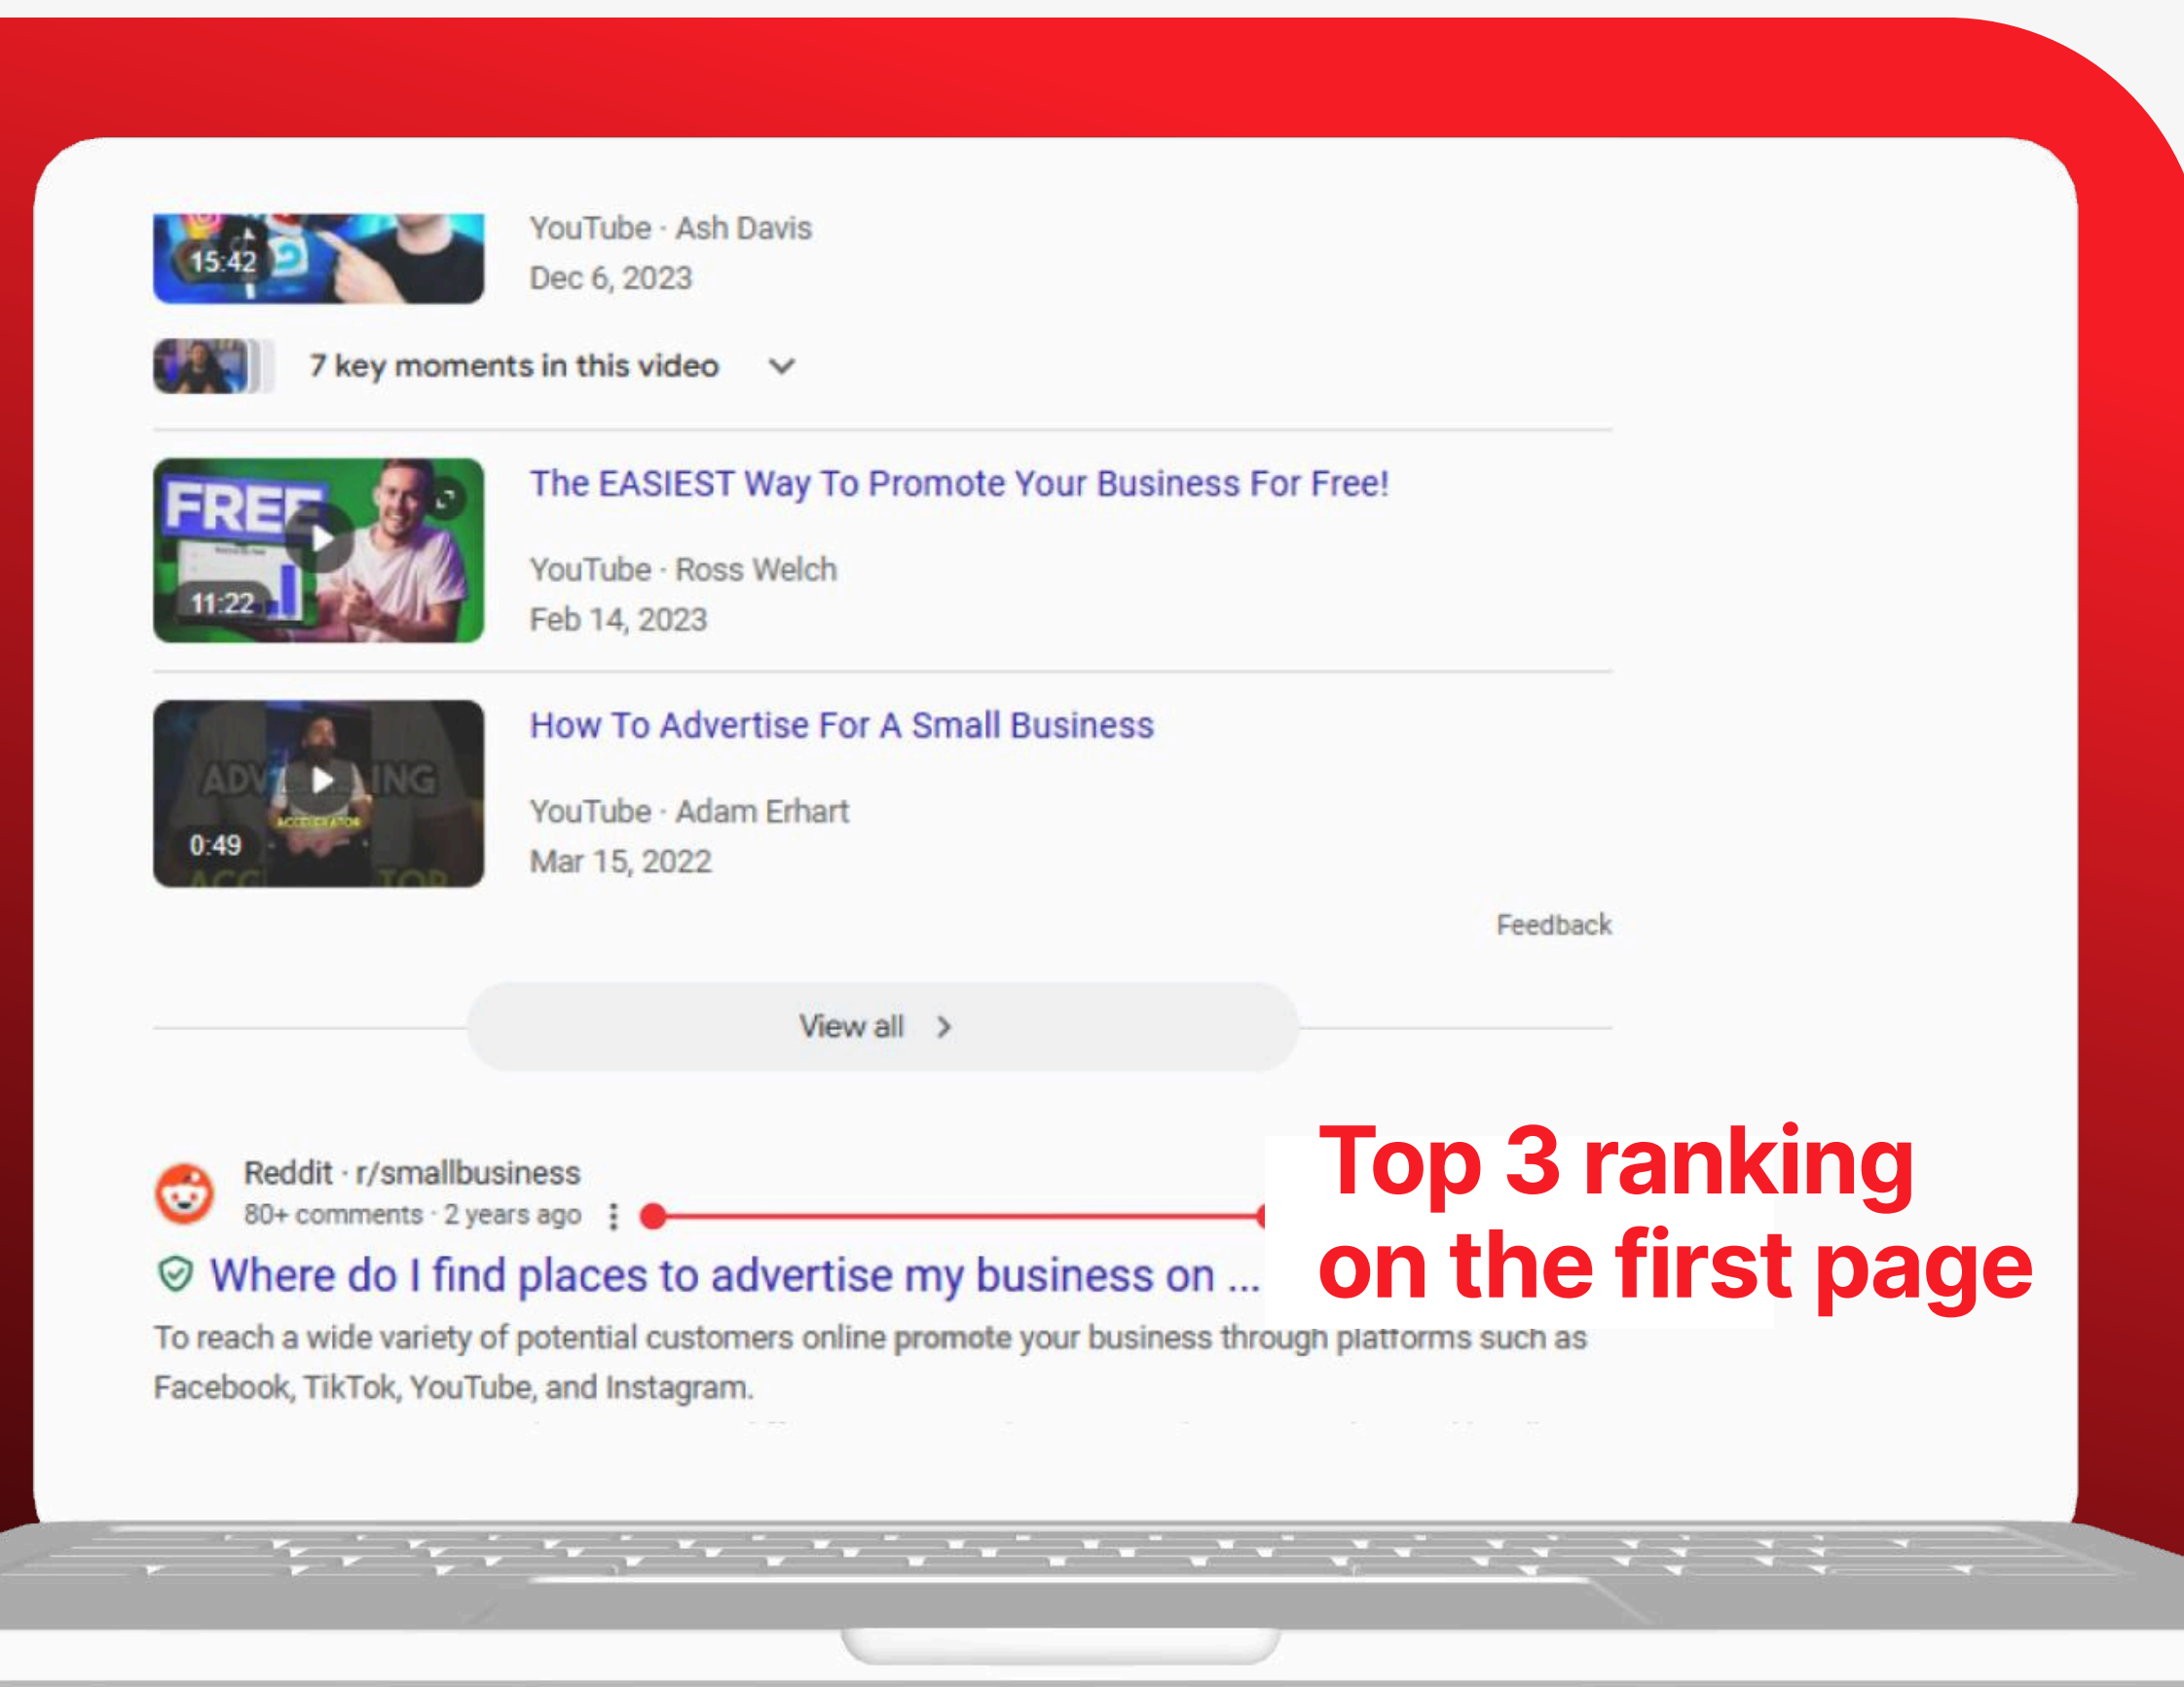

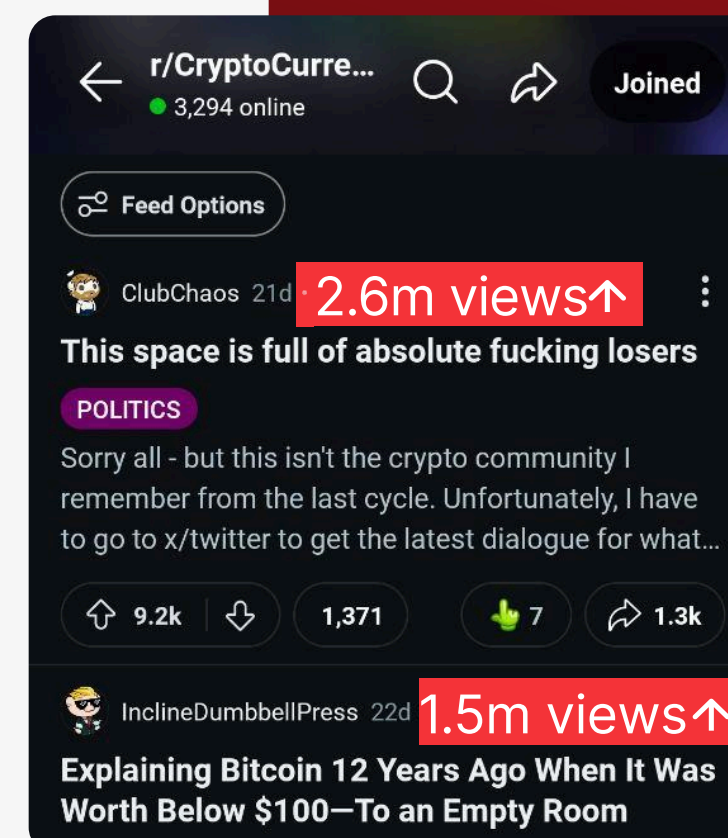

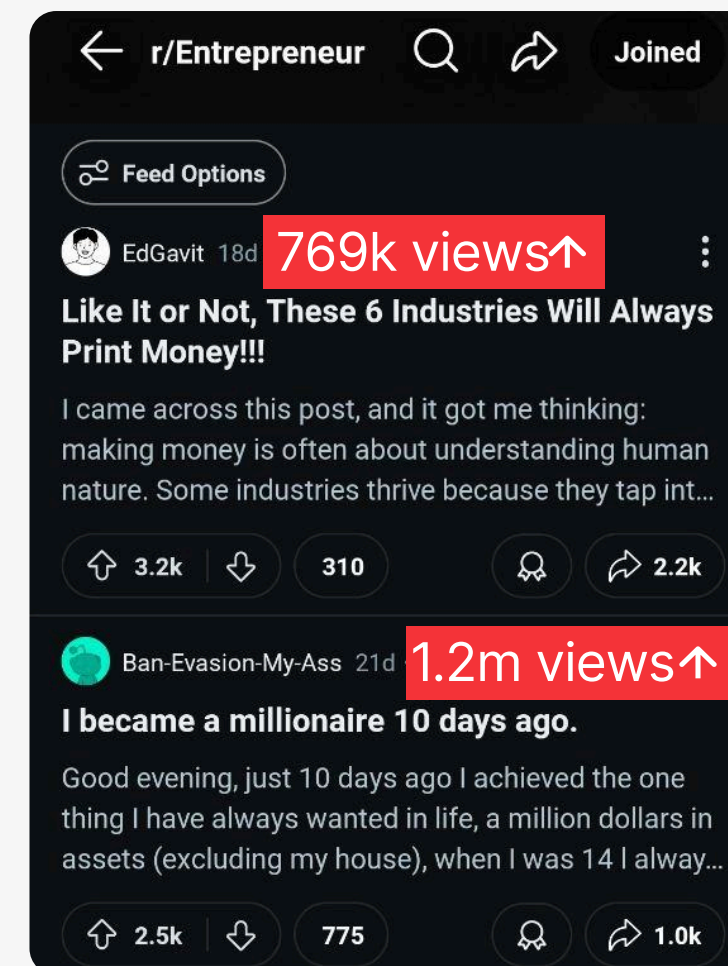

Reddit drives organic visibility, Google rankings, and millions of views - without paid ads.

- Reddit posts often rank on the first page of Google search results.

- Content can attract millions of views, driving massive visibility and engagement.

- Niche subreddits allow precise targeting of specific audiences.

All of this makes Reddit perfect for both broad and targeted marketing.

I would look at a new path outside of marketing. Marketing is going to become more and more automated.

Thanks for the update on all of the tools being used.
